

## Virtual Learning 2021-2022

Students will stay enrolled in their assigned school but be taught virtually. Students will receive schedules just like they do in the face-to-face model. Most courses will be offered in the Virtual Program. If a course cannot be offered, parents will be notified prior to school starting so they can make an informed decision. Parents may request a move back to the face-to-face model. The request will be accommodated if space is available.

Additional high school credit courses are taught online through concurrent enrollment, offering increased flexibility for students in rising 9th through 12th grades, through UNM Taos and San Juan College. This option is available to 9th through 12th grade students in fall and spring who are either face-to-face students or fully virtual students.

NMPED is an additional option for students in grades 9th through 12th grades, offers online courses. Registration in this program is through the NMPED website.

### Virtual Learning Registration Dulce Middle School or High School

Dear Parent/Guardian: Thank you for choosing Virtual Learning (Option 1) being face to face, (Option 2) to begin the 2021-2022 school year at Dulce Mid High School. To participate in virtual learning, a Virtual School Registration Form must be completed for each student. You only need to complete this form if you are choosing Virtual Learning (Option 2) instead of in-person instruction on the Dulce Schools Middle School or High School campus.

Families with multiple students should complete **one form for each child** who will participate in virtual learning. These forms need to be completed and submitted by 3:30 p.m. on Monday, August 13<sup>th</sup>. You may drop off the form to the appropriate school between 8:00 a.m. and 3:30 p.m. or scan, attach, and email it to Joella Cowen at [jcowan@dulceschools.com](mailto:jcowan@dulceschools.com) or Berna Trujillo at [btrujillo@dulceschools.com](mailto:btrujillo@dulceschools.com). Additionally, please plan to attend a mandatory Virtual Learning Orientation on Friday August 6th at 3 p.m. in the High School auditorium or on Zoom. Link will be on the District Website. Here we will discuss the expectations of students and parents, review technology troubleshooting steps, and answer any other questions you may have. We will also issue devices and hard copies of student schedules on this date. I look forward to working with you as we take on this endeavor together. Please do not hesitate to reach out to me at any time.

Sincerely,

Vicky Abreu, Principal
